

# Australia 2028

## Public holiday calendar

| Date   | Day       | Holiday                                                                                                                                                                                                       | Type               |
|--------|-----------|---------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------|--------------------|
| Jan 1  | Saturday  | <b>New Year's Day</b><br>Falls on a Saturday in 2028, so an additional public holiday is declared on Monday Jan 3.                                                                                            | Public holiday     |
| Jan 3  | Monday    | <b>Additional public holiday (New Year)</b><br>Under the public holiday standard in each state's Act, when New Year's Day falls on a weekend an additional public holiday is granted on the following Monday. | Substitute holiday |
| Jan 26 | Wednesday | <b>Australia Day</b><br>Falls midweek on a Wednesday in 2028.                                                                                                                                                 | Public holiday     |
| Apr 14 | Friday    | <b>Good Friday</b>                                                                                                                                                                                            | Public holiday     |
| Apr 17 | Monday    | <b>Easter Monday</b><br>Most states also observe Easter Saturday (Apr 15), and several observe Easter Sunday (Apr 16).                                                                                        | Public holiday     |
| Apr 25 | Tuesday   | <b>Anzac Day</b><br>Falls on a Tuesday in 2028, so - unlike 2027 - no state substitution is required.                                                                                                         | Public holiday     |
| Dec 25 | Monday    | <b>Christmas Day</b><br>Falls on a Monday in 2028, so no substitute day is needed.                                                                                                                            | Public holiday     |
| Dec 26 | Tuesday   | <b>Boxing Day</b><br>Falls on a Tuesday in 2028, so no substitute day is needed. Known as Proclamation Day in South Australia.                                                                                | Public holiday     |
